Storytime

Date and Time: Wednesday, October 1 10:30 am

Address: 5 George Street, PO Box 10

Come join us for Story Time! This family-friendly event is held at the Buckhorn Branch at 10:30 am on Wednesday. It includes story time followed by a variety of crafts, songs, and other fun activities.

We encourage families to socialize after the program so children can engage with the toys, books, and puzzles provided in the children's area of the library. This interactive time is important to help children develop motor, cognitive and social skills. At Trent Lakes Public Library, we want to help bring families together and create an atmosphere of community and discovery.

Chat and Craft

Date and Time: Tuesday, October 7 11:00 am - 12:30 pm

Address: 5 George Street, PO Box 10

Chat and Craft is held at the Buckhorn branch every Tuesday morning at 11:00 am. It is an informal group for knitting, crocheting and fibre arts. Patrons can bring their current craft projects or else we supply the pattern and yarn so they can create items for donation to local shelters.

Youth Group

Date and Time: Tuesday, October 7 6:00 pm - 7:30 pm

Address: 32 Community Complex Drive

The Cavendish Youth Group runs every Tuesday night from 6:00 pm to 7:30 pm during the school year. The Trent Lakes Public Library and the Cavendish Community Centre collaborate to provide this program. It is open to

o all youth in the Municipality of Trent Lakes. Once in high school, local youth can acquire community service hours by assisting with the program. Attendance is between 7 and 20 children each week. An important aspect of the Cavendish Youth Group is that it is free of charge.

Each week those who attend the program in Cavendish have free access to the playground, skating rink, baseball diamond and upper level of the Community Centre. Craft time is run for those who wish to participate. The library is also open for the children and offers access to computers for schoolwork.

Parents have the option to either stay at the Community Centre or leave. Because we are a remote community, this provides parents with an excellent opportunity to interact with their neighbours.
